RE. 07C7267 CH

8:15 p.m.

Dear Clerk of the District Court ~~the~~ Honorable Rebecca Pallmeyer

MICHAEL W. DOBBINS

CLERK, U.S. DISTRICT COURT

Today, at 2:00 p.m., I just received the notification from the U.S.

Marshall that in case 07C7267, Defendants Godinez & Dort were being served process. I had no idea that my original complaint had been accepted by you. Usually, when I mistakenly in the past have sued "supervisors" instead of the actual "state agents" involved, you inform me to submit an amended complaint, naming individual officers.

Coincidentally, today at 9:30 am, I happened to file an ^{2nd} amended complaint naming Deputy Parks & Deputy King as defendants, & placed all 3 copies in the mail at 2:00 p.m. Since you apparently have accepted Dort & Godinez as defendants, that is good with me, However if you want, you can include Parks & King. I never received your threshold review, Sheriff Dept. Sometimes does not give me **FILED!!**

Counsel would be greatly appreciated.
